CONFERENCE COMMITTEE REPORT
DIGEST FOR ESB 1

Citations Affected: IC 6-1.1-12.4; IC 6-2.5-6-16; IC 6-3.1.

Synopsis: Tax incentives. Requires the filing of a personal property return schedule to apply for personal property tax abatement (instead of filing a separate application deduction) and provides that if the township assessor or county assessor does not deny the application, the abatement applies in the amount claimed or in an amount determined by the township assessor or county assessor. Changes the procedure for appealing a denial of a property tax deduction or the alteration of a deduction amount in an economic revitalization area. Changes the deadline for submitting information updating a taxpayer's compliance with the taxpayer's statement of benefits that is required to obtain a property tax deduction in an economic revitalization area. Establishes a property tax investment deduction for certain real property development, redevelopment, or rehabilitation that increases assessed value and creates or retains employment. Establishes a similar deduction for the purchase of personal property other than inventory subject to the same conditions and limitation. Expands the sales tax exemption for tangible personal property used by professional motor vehicle racing teams. Exempts a person from 100% of the sales tax on research and development equipment acquired after June 30, 2007. Provides a refund of 50% of the sales taxes paid on transactions involving research and development equipment acquired after June 30, 2005, and before July 1, 2007. Increases the qualified research expense credit from 10% to 15% on the first $1,000,000 of investment for taxable years beginning after December 31, 2007. Reduces from 15 to 10 the number of years for which a taxpayer may carry over a research expense credit. Excludes certain debt provided by a financial institution after May 15, 2005, from the definition of "qualified investment capital" that is eligible for the venture capital investment tax credit. Specifies that a business primarily focused on professional motor vehicle racing is eligible for certification as a qualified Indiana business for purposes of the venture capital investment tax credit. Increases the total amount of venture capital investment tax credits that may be allowed in a calendar year from $10,000,000 to $12,500,000. Provides that a taxpayer may not carry over a venture capital investment credit for more than five taxable years following the first taxable year in which the credit is claimed. Provides that a business that relocates its corporate headquarters to a location in Indiana is entitled to a credit against its state tax liability equal to 50% of the costs incurred in relocating the headquarters. Makes technical changes. **(This conference committee report: (1) deletes SECTION 1 of the bill concerning global commerce centers; (2) deletes various SECTIONS of the bill that would extend the**

deadlines for the creation of new tax increment finance (TIF) allocation areas and for the approval of new statements of benefits for tax abatements and would repeal the limitation of tax abatements for new logistical distribution equipment and new information technology equipment to certain counties located along Interstate Highway 69; (3) deletes SECTION 13 of the bill concerning an assessment phase-in deduction for improvements to business and nonbusiness real property and the installation of business and nonbusiness personal property; (4) provides that the state income tax credit for a business that relocates its corporate headquarters to a location in Indiana applies to taxable years beginning after December 31, 2006, instead of December 31, 2005; (5) deletes SECTIONS 28 and 31 of the bill concerning a refundable tax credit for a person who graduates from college or university with certain degrees and obtains employment in Madison, Grant, or Huntington County; (6) deletes SECTIONS of the bill that authorize counties, cities, and towns that receive county economic development income taxes to establish regional venture capital funds by pooling taxes payable to the participating units; (7) changes the property tax investment deduction for installation of personal property to a deduction for purchases of personal property; and (8) resolves technical conflicts with other bills.)

Effective: Upon passage; January 1, 2005 (retroactive); February 9, 2005 (retroactive); May 15, 2005; July 1, 2005; January 1, 2006; January 1, 2007.

On the date specified in the notice described in section 6(3) of this chapter, the official shall conduct a hearing for the purpose of further considering the property owner's creation or retention of employment as described in section 6(1) of this chapter. Sec. 10. A property owner whose deduction is terminated under section 8 of this chapter may appeal the official's decision by filing a complaint in the office of the clerk of the circuit or superior court together with a bond conditioned to pay the costs of the appeal if the appeal is determined against the property owner. The court shall:

Sec. 12. If ownership of the real property or new personal property changes, the deduction under this chapter continues to apply to the real property or personal property, and the amount of deduction is the product of:

the corporation shall certify the taxpayer's proposed investment plan.
